X GRILLE FOR FORD RANGER PX2

The future of driving lights is bright with the new X Grille, the perfect combination of factory look and appeal with high performance.

Designed by AX4 and powered by Lightforce, the X Grille is the newest innovation in driving light fitment. It is a complete replacement grille with an integrated pair of high-performance Venom LED driving lights. The first X Grille kit, to suit the popular Ford Ranger PX2, is a custom package that looks awesome, as if it came straight from the factory. It eliminates the need for bull bars, nudge bars or bulky mountings to add driving lights.
